

SKY ROOM *Level 7 (West Wing)*

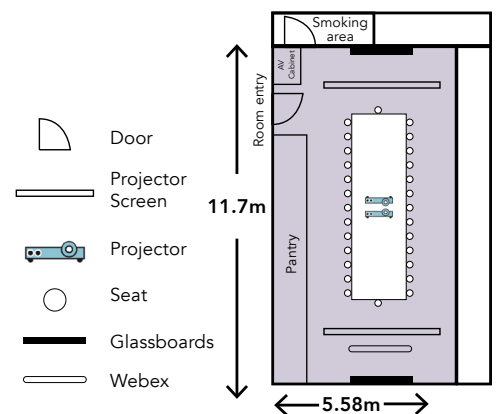

Fact Sheet

Summary

The 65 m² Sky Room is located on level 7 of the west wing. It has floor-to-ceiling glass wall that gives a stunning 180 degree view of the airport. Day and night blinds ensure just the right amount of natural light to be allowed into the room. The room is fitted with the complete suite of AV equipment and video conferencing facilities making it ideal for all your business needs, be it a big board meeting for 28, formal intimate dinner for up to 30 or even a cocktail event for up to 50.

Additionally, the room is also attached to a designated outdoor smoking area.

Please see below for further information about video conference capabilities, and a detailed list of equipment available.
